

## 2nd Grade CCSS Math Word Search 1

1. First, write the correct clue number to the left of each word in the Word Bank. Then, circle the words that have been hidden vertically and horizontally.

1. A horizontal line of numbers or objects.
2. A vertical line of numbers or objects.
3. To add a number to itself a number of times.
4. A guess based on an observation, not an actual measurement.
5. A collection of information.
6. The answer in a subtraction problem.
7. To take away one number from another.
8. A set that keeps repeating itself.
9. The answer in an addition problem.
10. A group of objects.
11. To combine (or join together) two or more numbers to get one number.
12. The answer to a multiplication problem.
