1. A fictional prose narrative that is usually ten to twenty pages long.
2. The attitude that a writer takes toward the audience, a subject, or a character.
3. A person, a place, a thing, or an event that has its own meaning and stands for something beyond itself.
4. The voice talking in a poem.
5. A group of consecutive lines that form a single unit in a poem.
6. The truth about life or main message revealed in a work of literature.
7. A kind of rhythmic compressed language that uses figures of speech and imagery designed to appeal to emotion and imagination.
8. The time and place in which the events of a work of literature take place.
9. A group of words repeated at intervals in a poem, song, or speech.
10. The vantage point from which a story is told.
11. An exaggerated fanciful story that gets more and more far-fetched as it is told and retold.
12. A comparison between two unlike things using the words "like" or "as."
13. A musical quality produced by the repetition of stressed and unstressed syllables or by the repetition of certain other sound patterns.
14. The uncertainty or anxiety you feel about what will happen next in a story.
15. The repetition of accented vowel sounds and all sounds following them in words close together in a poem.
